The Senior Surgeon says in his U.O. note of 9.9.48. in the cover placed below that this building was occupied by the Medical Officer of the Maternity Hospital ever since the inception of that institution. But it is clear from the P.W. Secy's note that it had not been occupied by the M.O. but by the Chief M.O. till the latter office was abolished. When the office is abolished there is no question of the M.O. succeeding to the C.M.O. office or to her residential quarters. The circumstances under which she (Miss Captain) came to occupy these quarters are not clear. Either she has to be given some other building nearer the hospital or this building given to the D.C. (as it is nearer his office), or the D.C. may be allotted another building, if it

OFFICE OF THE DEPUTY COMMISSIONER,

Dated, Bangalore, 7th Sept. *1948.*

To

Sri V. Vedavyasacharya, B.A.,
Chief Secretary to the Government of Mysore,
Bangalore.

Sir,

Re: Allotment of Government Quarters for the residence of the Deputy Commissioner, Bangalore District, Bangalore.

I have the honour to state that quarters are provided for the residence of Deputy Commissioners in charge of Districts in all Districts, except Bangalore and Mysore. I have to bring it to the kind notice of Government that it has of late become very difficult to find a Bungalow suited to the convenience of an officer of my position at anything like a reasonable rent. I am now housed in a building in the far off corner of Basavanagudi and by virtue of a co-tenancy on the premises and other circumstances, it is quite unsuited to me. The provision of quarters in a locality, preferably close to the District Offices, is quite necessary. I am, therefore, requesting that the Government may be pleased to allot one of the vacant bungalows in the possession of Government for the residence of the Deputy Commissioner. In the alternative, the acquisition of tenancy of a suitable building may kindly be ordered.

I shall be grateful for an early consideration of my request.

I have the honour to be,

Sir,

Your most obedient servant,

====

With reference to letter No.P.C.16/48-49 dated 7-9-1948 from the Deputy Commissioner, Bangalore District to your address on the above subject, I write to state that it is reported by the Executive Engineer, Buildings Division, Bangalore that there is no suitable Government Building available at present.

In this connection, it may be stated that the quarters for the Lady Medical Officer was allotted when the Maternity Hospital was located in the present Insepctor General of Police Offices. As the distance to the Vani Vilas Hospital is more than a mile from the Lady Medical Officer's Quarters, it is desirable to secure proper residential quarters near the Vani Vilas Hospital. When this is secured the Lady Medical Officer can be requested to shift and make the present quarters available for the residence of the Deputy Commissioner, Bangalore District (Rurxal)
